

Skysol

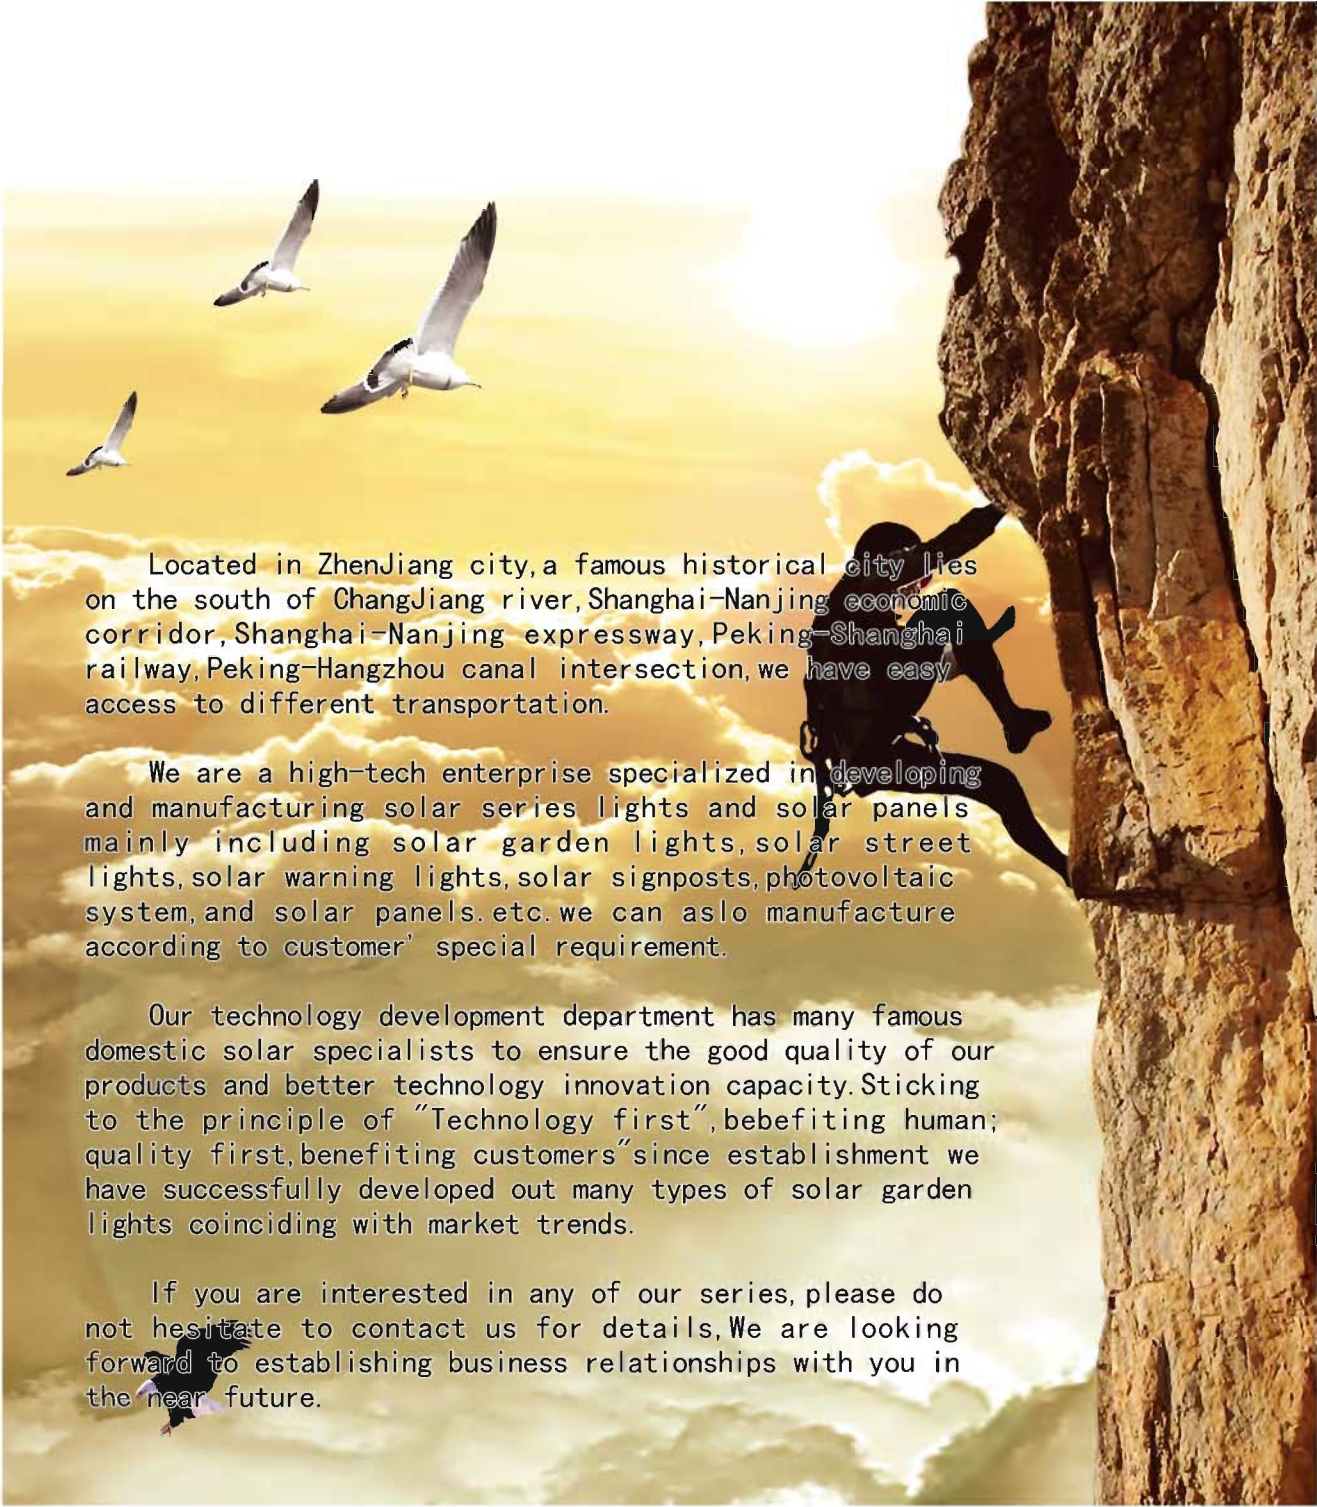

Zhenjiang Sky-solar Co.,Ltd.

Company profile

Located in Zhenjiang city, a famous historical city lies on the south of Changjiang river, Shanghai-Nanjing economic corridor, Shanghai-Nanjing expressway, Peking-Shanghai railway, Peking-Hangzhou canal intersection, we have easy access to different transportation.

We are a high-tech enterprise specialized in developing and manufacturing solar series lights and solar panels mainly including solar garden lights, solar street lights, solar warning lights, solar signposts, photovoltaic system, and solar panels. etc. we can also manufacture according to customer's special requirement.

Our technology development department has many famous domestic solar specialists to ensure the good quality of our products and better technology innovation capacity. Sticking to the principle of "Technology first", benefiting human; quality first, benefiting customers" since establishment we have successfully developed out many types of solar garden lights coinciding with market trends.

If you are interested in any of our series, please do not hesitate to contact us for details. We are looking forward to establishing business relationships with you in the near future.

THE COOPERATION UNITY DEVELOPMENT EXCHANGE ALTOGETHER WINS
